With a view to meeting the housing needs of the rural poor, Indira Awaas Yojana (IAY) was launched in May 1985 as a sub-scheme of Jawahar Rozgar Yojana. It is being implemented as an independent scheme since 1 January 1996. The Indira Awaas Yojana aims at helping rural people below the poverty-line belonging to SCs/STs, freed bonded labourers and non-SC/ST categories in construction of dwelling units and up gradation of existing unserviceable kutcha houses by providing grant-in-aid. From 1995-96, the IAY benefits have been extended to widows or next-of-kin of defence personnel killed in action. Benefits have also been extended to ex-servicemen and retired members of the paramilitary forces as long as they fulfill the normal eligibility conditions of Indira Awaas Yojana.

Under the scheme allotment of the house is done in the name of the female member of the households or in the joint names of husband and wife. A minimum of 60 % of funds are to be utilized for construction of

IAY is a scheme channeled through Panchayati Raj and the Panchayati Raj Institutions(PRI)s are centric to implementation of IAY scheme. The role of PRI in implementation of the scheme are -

1. The Zilla Panchad/ DRDAs on the basis of allocation made and targets fixed decide the number of houses to be constructed/upgraded Panchayat-wise.
2. The ZP/DRDAs intimate the same to Gram Panchayats. Thereafter, beneficiaries are selected from the Permanent Waitlist approved by the Gram Sabhas as per guidelines/priorities fixed restricting the number to the targets fixed.
3. A list is sent to the Panchayat Samiti for information and records.

The activities undertaken at Panchayat level are as below:-

2. Dashboard

This is the main page after logging in. You can see the pie chart showing the total families of the each village. You can also view the total education status of Patna district in Bihar and total district in Bihar just by clicking tabs. You are also given an option to view the number of users logged in today.

3. Menus

There are totally eight menus as follows:

- a. Registration
- b. BPL Status
- c. IAY Status
- d. Reports
- e. REMS
- f. Helpdesk
- g. Proceedings
- h. Video Con-Call
- i. India Tech TV

You can see this menu bar on every page. Each menu inturn have sub-menus will go on see one-by-one.

3.1 Registration

Registration menu have three sub-menus namely Citizen Registration, Applicant's Verification and Political Hierarchy.

3.1.1 Citizen Registration

Enter the particulars.

The screenshot displays the 'AWAAS SOFT - BIHAR' web application interface. The header includes the application logo, the title 'AWAAS SOFT - BIHAR', and the subtitle 'INDIRA AWAAS YOJANA'. Below the header, a navigation bar contains links: Dashboard, Registration (selected), BPL Status, IAY Status, Report, REMS, Helpdesk, Proceedings, Video Con-Call, and India Tech TV. The main content area is titled 'Applicant Registration Form' and features two tabs: 'Personal Details' (active) and 'Document Details'. The 'Personal Details' section contains the following fields: Name of Applicant (required), Date of Birth, Date of Birth Type (dropdown), Place of Birth, Gender (radio buttons for Male and Female), Caste (dropdown), and Scheme. The 'Address Details' section contains: Care of, Street, Village (dropdown), Block, State (required), Pincode (required), Building, Landmark, Panchayat (required), District (required), and Country (required). A user profile icon is visible next to the personal details fields.

Sanction Letter

From
IAY - Bihar

To

Name : Dinesh Das,

Family Id : 6,

Village : Parsa

Subject : Sanction letter Ref No.

Dear Dinesh Das,

We are pleased to inform you that your application No: _____ Dated: _____ has been granted a sum of ₹ 50000 towards the construction of your home under IAY.

You are requested to contact the Manager at SBI bank branch _____ to avail your family benefits as per the terms and conditions of World Bank.

The last day to avail this benefit is before Date: _____. In case of delay the benefits will be revoked from World Bank.

Please kindly contact in time.

Thanking You,
IAY Bihar

This letter is automatically generated from the computerized system of AWAAS SOFT IAY Bihar. Does not require hand signature.

3.7 REMS

3.7.1 Remote Eye

The surveyor carries a mobile phone with the vigilance application installed in it. When he logs in with the login/password assigned to him, the list of tasks categorized under each work ID, are shown. He can choose one task at a time and do the corresponding information gathering. In general, for each task, he will perform the following operations,

- Visit the relevant locations as required by the task
- Answer the checklist
- Capture audio, video, text and other information as required by the task
- Sign off that the collected information is correct & complete.
- The data will be geo-stamped as specified in the task definition
- The data is uploaded to the GPMS server on an immediate basis

The same method is followed for each of the tasks assigned to the given login.

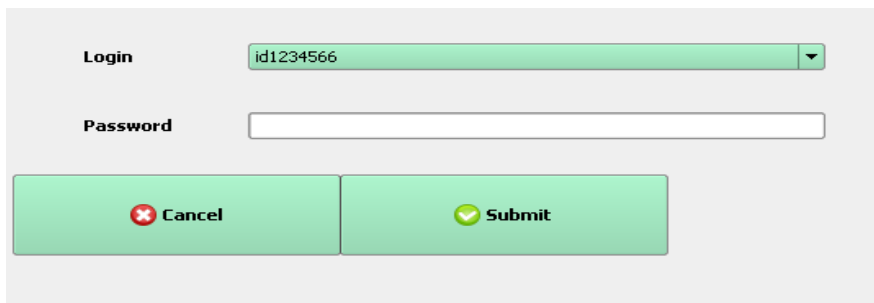

Multiple logins can be assigned to one field officer at different points in time. The officer creating the tasks can make the assignment appropriately.

Intelligence Reports

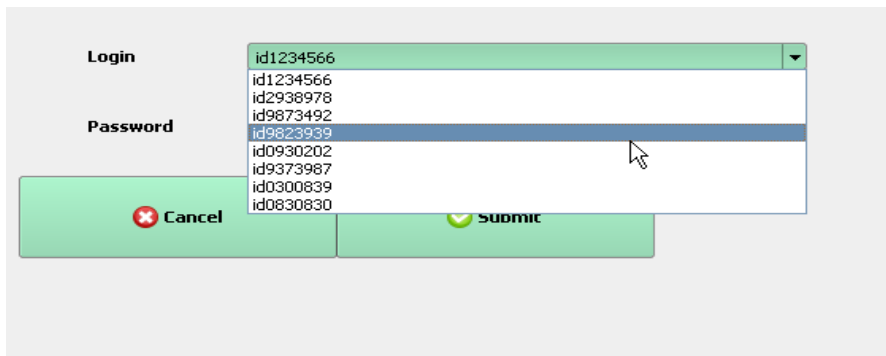

Once all the tasks related to a work ID is complete, the GPMS system should generate a comprehensive report (preferably a PDF file), containing the complete details of the project, results of the survey, photos, audio/video, list of discrepancies found, etc. and submit the same to the concerned authorities. The same should be available online, through the GPMS website.

REMS Screenshots

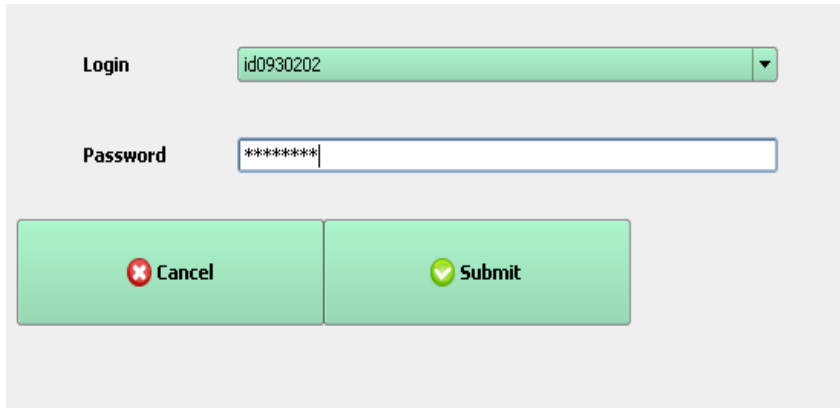

Logging In

This screenshot shows the login interface. The 'Login' field is a dropdown menu currently displaying 'id1234566'. The 'Password' field is an empty text input. Below the fields are two buttons: 'Cancel' (with a red 'X' icon) and 'Submit' (with a green checkmark icon).

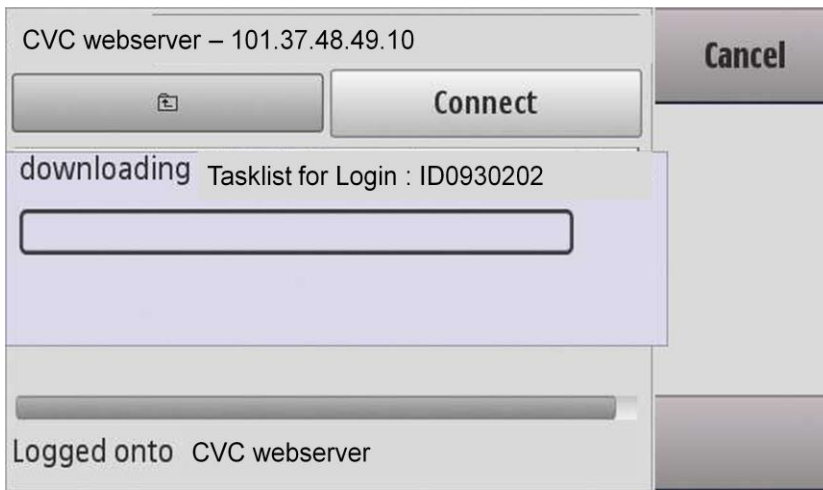

This screenshot shows the login interface with the 'Login' dropdown menu open. The menu lists several IDs: id1234566, id1234566, id2938978, id9873492, id9823939 (highlighted), id0930202, id9373987, id0300839, and id0830830. A mouse cursor is pointing at the highlighted 'id9823939' option. The 'Password' field and 'Cancel'/'Submit' buttons are also visible.

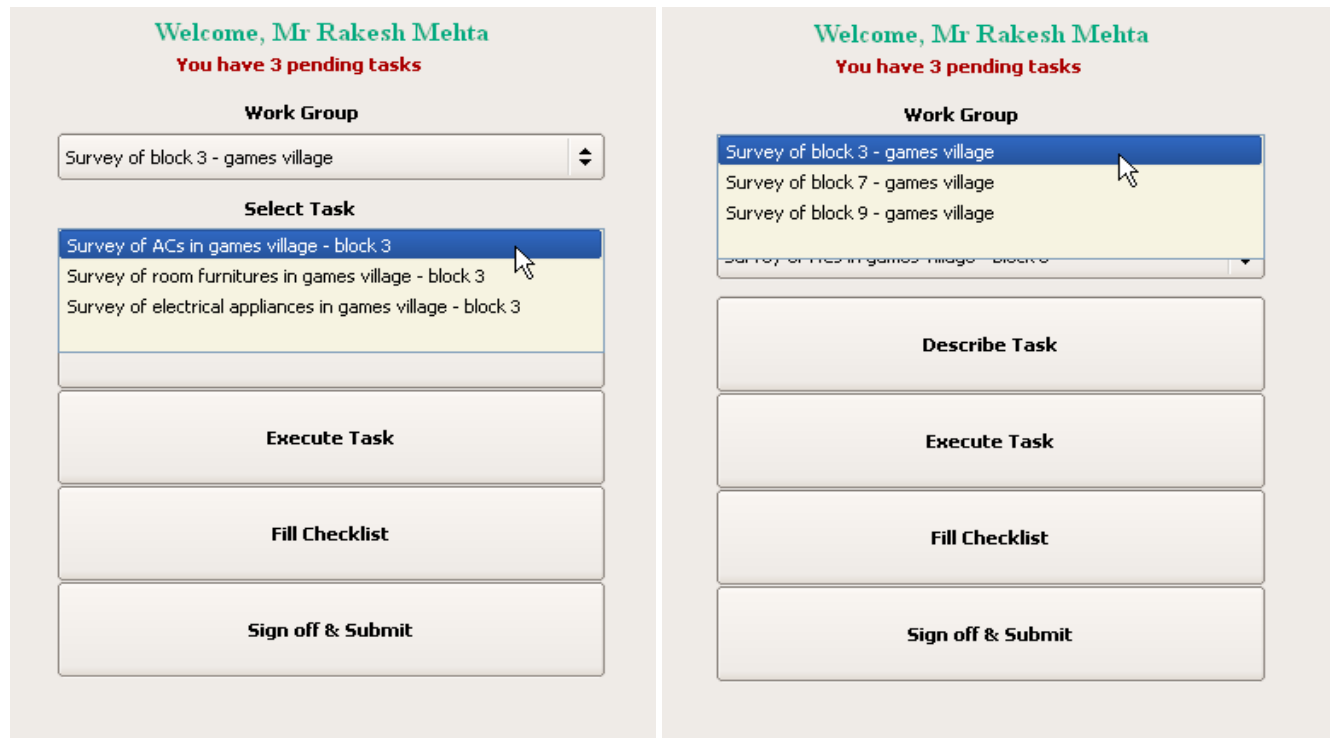

A login form with a light gray background. It contains two input fields: 'Login' with a dropdown menu showing 'id0930202' and 'Password' with a masked input showing '*****'. Below the fields are two buttons: 'Cancel' with a red 'X' icon and 'Submit' with a green checkmark icon.

Automatic downloading of details for the given login

A window titled 'CVC webserver – 101.37.48.49.10'. It has a 'Connect' button and a 'Cancel' button. Below the 'Connect' button, there is a status bar showing 'downloading Tasklist for Login : ID0930202' with a progress bar. At the bottom, it says 'Logged onto CVC webserver'.

3.8 Video Con-Call

The screenshot displays the C3XChange web application interface. At the top, there is a blue header bar containing the C3XChange logo, which features the text 'C3XChange' in a stylized font with a star, and the tagline 'connect communicate collaborate' below it. The main content area is white and divided into two columns. The left column has a 'WELCOME' section with a paragraph describing the system's capabilities: 'C3XChange supports sharing of slides (PDF and PPT), video, whiteboard, chat, voice (using Asterisk or FreeSWITCH), and desktops. It's built using over fifteen open source components, runs on Mac, Unix, and PC computers, and is supported by a BIT Team that cares about good design and a streamlined user experience.' Below this is an 'About C3XChange' section with a paragraph: 'C3XChange is a state of the art of web conferencing system that enables the organizations to deliver a high-quality meeting experience to remote participants.' The right column has a 'Join a Demo Meeting' section with the text 'Enter your name and click Join:' followed by a text input field and a 'Join' button. At the bottom of the page, there is a copyright notice: 'Copyright © 2010 C3XChange'. A horizontal scrollbar is visible at the bottom of the page.
