BACKGROUND

1. When and Why did the Government set up a body like CVC?

The Central Vigilance Commission was set up by the Government in February,1964 on the recommendations of the Committee on Prevention of Corruption, headed by Shri K. Santhanam, to advise and guide Central Government agencies in the field of vigilance.

2. What is the background of Central Vigilance Commission?

CVC is conceived to be the apex vigilance institution, free of control from any executive authority, monitoring all vigilance activity under the Central Government and advising various authorities in Central Government organizations in planning, executing, reviewing and reforming their vigilance work.

Consequent upon promulgation of an Ordinance by the President, the Central Vigilance Commission has been made a multi member Commission with "statutory status" with effect from 25th August,1998.

3. What is the present status of the Central Vigilance Commission?

The CVC Bill was passed by both the houses of Parliament in 2003 and the President gave its assent on september 11, 2003. Thus the Central Vigilance Commission Act 2003 (No45 Of 2003) came into effect from that date.

### LOGO

The Central Vigilance Commission has adopted a logo. The logo consists of a graphic representation of an eye encased within the letter "C". The eye represented in a pleasing blue colour is symbolic of the collective determination of the community to be vigilant against any erosion of rights through illegal and improper actions of public servants. Encased within the letter "C" the eye represents the Commission overseeing the vigilance administration in all public organisations and helping in arriving at quick and logical decisions in all vigilance cases. The logo has grouped positive and negative elements within it and the deliberate choice of the blue colour signifies an active, ever vigilant but positive and friendly Central Vigilance Commission.

The logo has been designed especially for the Commission by the renowned Graphic Designer, Shri Binoy Sarkar. An alumni of Yale University, USA, Shri Sarkar has also to his credit designing of such striking logos as of the Indian Airlines, ECIL, Airports Authority of India, Trade Fair Authority of India (Now ITPO), Delhi Transport Corporation (DTC) to name but a few.

Selection and Appointment

The Chief Vigilance Officers constitute an important link between the organizations concerned and the Central Vigilance Commission (as also the CBI). The following procedures have been laid down/evolved in the matter of appointment of CVOs:

a. Prior approval of the Commission for appointment of an officer as CVO;

b. As far as possible, the Chief Vigilance Officers should be from outside the Organization in which he is to be appointed. The initial tenure of full-time CVO in PSUs is for three years extendable by two years in the same organisation with the approval of the Commission or upto a further period of three years on transfer to another PSU on completion of initial tenure of three years in the previous PSU.
